

MATH

in a nutshell

NUMBER SENSE

BASIC OPERATIONS

COMPLEX OPERATIONS

FRACTIONS

DECIMALS

PERCENTS

geometry

measuring

money

time

graphs &

charts

story problems

probability

ratios

solving for

unknowns

integers

MATH

in a nutshell

NUMBER SENSE

counting, place value, odds, evens, primes, rounding, comparing, order, expanding, etc.

BASIC OPERATIONS

adding, subtracting, multiplying, dividing

COMPLEX OPERATIONS

long multiplication, long division

FRACTIONS

including GCF and LCM, addition, subtraction, multiplication, division

DECIMALS

change from fractions, add, subtract, multiply, divide

PERCENTS

from fractions, etc.
