

SHERRY HAYES

SERVANT OF THE LORD JESUS CHRIST

AND WHATEVER YOU DO, DO IT HEARTILY, AS TO THE LORD AND NOT TO MEN COL. 3:23

PERIODICAL ASSESSMENT AND ADJUSTMENTS

From time-to-time it becomes evident that life has changed, and so must the way I operate. In order to serve the Lord, my loved ones, and those outside my home to the best of my ability, I need to make necessary changes so that I can use the talents and resources God has given me to their greatest advantage.

APPROACH

- **ONE** write down all areas of responsibility, or "hats."
- **TWO** take each area and flesh out what it entails.
- **THREE** identify areas of weakness or frustration.
- **FOUR** pray with expectation for wisdom.
- **FIVE** mull over these areas for a few days; allow God to talk to me anytime, even wake me up in the middle of the night to give me ideas. Have a pen and pad handy so I can write them down.
- **SIX** make action lists.
- **SEVEN** implement while being sensitive to the leading of the Spirit.
